## *Images d'Orient, a brand with a Lebanese soul*

*Images d'Orient, un label à l'âme Libanaise*

It all started at that moment!

We are back home, back to our roots, back to our beloved memories!

Everything is modernized, everything disappears, to create a new aesthetic where our roots fade.

Together Charbel and myself, sketch the path to avoid this loss.

That's when Images d'Orient is created.

That moment was 20 years ago!

At the end of 2019, beginning of 2020, we celebrate two decades that end with a lot of emotions. Two decades that allowed a label to see the light, and reinforced our decision, to partner in this beautiful adventure that is "Images d'Orient".

A venture started between a brother and a sister, but without the support, confidence and enthusiasm of many of you, would not have lasted.

This year witnessed the disappearance of our number 1 admirer, who throughout these years encouraged us, followed us in the shadow and especially blessed our road. In tribute to her, She, who has always encouraged us to have an "Images d'Orient" boutique, on March 21st, on Mother's Day in Lebanon, our first flagship store was respectfully opened in the heart of Beirut.

The adventure is far from over, the road is still very long. We will continue to do our best with the help of our super team to make you dream and put some rays of our Mediterranean sun in your interiors.

Images d'Orient has more and more desires of travel, desires of meetings and desires of new horizons and we hope that very soon we will be able to embark you on these new ways.

This year, our catalog was born thanks to a beautiful house with a captivating charm; Beyt Amir or the prince's house, welcomed us and allowed us to give our photos some of the soul of our childhood and the charm of those yesteryears.

*Tout a commencé à ce moment-là !*

*Nous sommes de retour à la maison, de retour à nos racines, de retour à nos souvenirs bien-aimés !*

*Tout se modernise, tout s'efface, pour créer une nouvelle esthétique où nos origines s'évaporent.*

*Ensemble Charbel et moi-même, esquissons la voie à suivre pour éviter cette disparition.*

*C'est à ce moment-là que Images d'Orient est créée.*

*Ce moment-là était il y a 20 ans !*

*En cette fin 2019 début 2020, nous célébrons deux décennies qui s'achèvent avec beaucoup d'émotions. Deux décennies qui ont permis à un label de voir le jour, et ont conforté notre décision, de s'associer dans cette belle aventure qu'est « Images d'Orient ».*

*Une entreprise commencée entre frère et sœur, mais sans le soutien, la confiance et l'enthousiasme de beaucoup d'entre vous, n'aurait pas perduré.*

*Cette année a malheureusement vu la disparition de notre fan numéro un, notre admiratrice qui tout au long de ces années nous a encouragés, nous a suivis dans l'ombre et a surtout béni notre route à deux. En hommage à elle, Elle qui nous a toujours incités à prévoir un espace où l'on exposerait l'étendue de ce label qu'est devenu Images d'Orient, le 21 Mars, à la fête des mères au Liban, notre 1ère boutique phare fut respectueusement ouverte en plein cœur de Beyrouth.*

*L'aventure est loin de finir, la route est encore bien longue. On continuera à faire de notre mieux avec l'aide de notre super équipe pour vous faire rêver et mettre quelques rayons de notre soleil méditerranéen dans vos intérieurs.*

*Images d'Orient a de plus en plus des envies de voyages, des envies de rencontres et des envies de nouveaux horizons et on espère que très bientôt nous pourrons vous embarquer sur ces nouveaux chemins.*

*Cette année, notre catalogue a vu le jour grâce à une belle demeure au charme envoutant ; Beyt Amir ou la maison du prince, nous a accueilli et nous a permis de donner à nos photos l'âme de notre enfance et le charme de ces années d'antan.*

## Andalusia

Since 2500 BC, "The land between two continents and two oceans" is a favored destination for the nations. From 409 until 429, The Vandals, a Germanic people, occupy it and name it "Vandalusia". In 711 Andalusia witnesses the booming time of the Umayyad dynasty, and the discovery of the New World by Christopher Columbus in 1492, marks its golden age that will remain until its decline in the 17th Century. Despite all the conflicts and fluctuations, a lasting influence emerged from its cuisine, its architecture, its gardens and its textiles.

## Birds of Paradise

Stirred by Asian art, Persian miniatures called « Negârgari » portray themes associated to Persian myths and poetry. It glorifies this art by representing a poetic and elegant space, richly detailed, indulging us in a dreamland and the notorious "gardens of paradise". The miniatures are adorned with majestic manuscripts, stunning colors and geometric and floral patterns. According to the collection of medieval poems "The Conference of the birds" written by Farid Al Din-Attar in the VIth century, the birds, metaphors of the human being, are on a perpetual journey seeking enlightenment and spirituality.

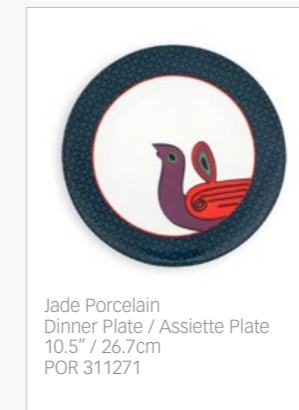

Inspirées par l'artisanat asiatique, les miniatures Persanes dites « Negârgari » illustrent des thèmes liés aux mythes persans et à la poésie. Ces dernières glorifient cet art en représentant un espace poétique, élégant, richement détaillé, ouvert vers le rêve et les «Jardins du Paradis». Elles sont ornées de manuscrits majestueux aux couleurs sémillantes et de motifs géométriques et floraux. Selon le recueil de poèmes médiévaux «Le Cantique des oiseaux», écrit par Farid Al Din-Attar au XII ème siècle, les oiseaux, métaphores de l'être humain, sont en continuel cheminement, à la recherche de l'illumination et de la spiritualité.

## Kaokab

The sky has always been a mystery that fascinated earthlings. It lulls us to escape towards a limitless elsewhere. In old times, thinkers and sages are so captivated that they generated the most ancient discipline: astronomy. During the golden age of Islam in the VIII<sup>e</sup> century, art was enhanced with recurrent geometrical patterns such as the octagon and the 8 pointed stars. 'Kaokab' meaning planet, will immerse you in an enigmatic universe.

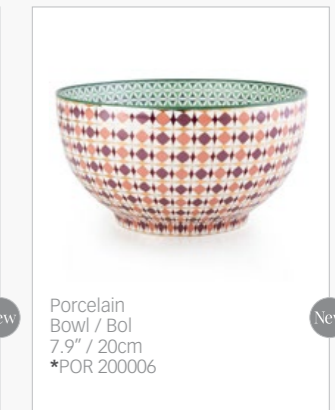

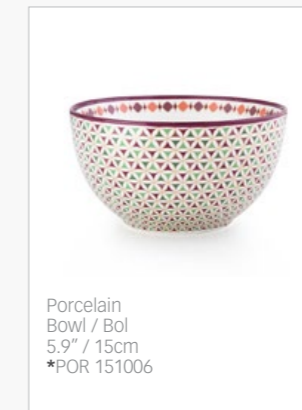

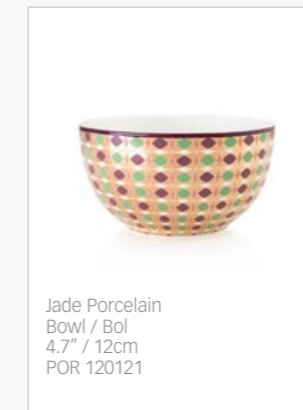

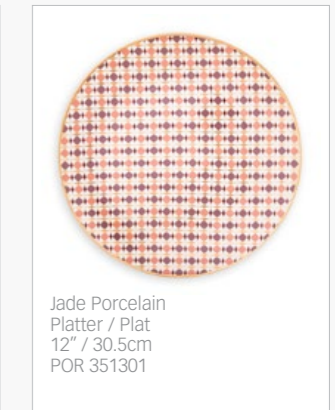

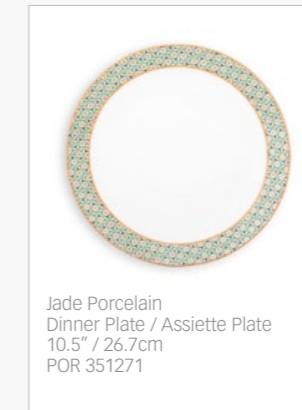

*Le ciel est un mystère qui a toujours envoûté les locataires de la terre. Il nous procure une sensation d'évasion vers un ailleurs illimité. Jadis, savants et sages s'y passionnent pour fonder la plus ancienne des sciences : l'astronomie. Au VIII<sup>e</sup> siècle, à l'âge d'or de l'Islam, l'art se brode de motifs géométriques récurrents tels que l'octogone et l'étoile à 8 branches. 'Kaokab' signifiant 'planète', vous plongera dans un univers énigmatique.*

## Opera

A collection inspired by the geometric hand painted zouaq panels adorning the interior of the main foyer in the Royal Opera House Muscat, in delicate shades of ivory, almond, teal, rose gold, coral and burgundy.

*Opera est une collection inspirée des panneaux de zouaq géométriques peints à la main qui ornent l'intérieur du hall principal du Royal Opera House Muscat, dans des tons délicats d'ivoire, d'amande, de canard, or rose, de corail et de bordeau.*

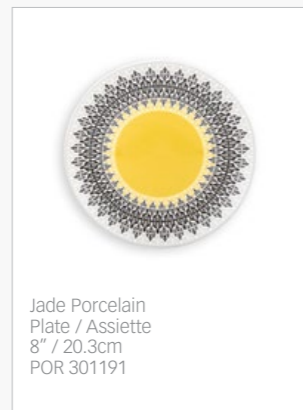

## Safra

Safra or Yellow. This collection is based on a sleek and stylish art and strengthens an inner atmosphere of meditation. Visually, your eyes may eliminate the dark or light forms but whichever one you choose, you'll notice perfectly shaped zelliges.

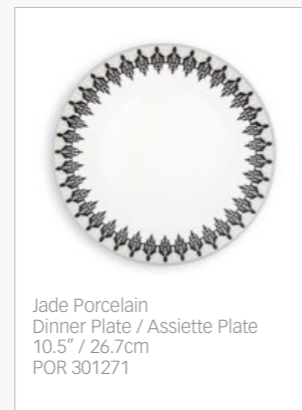

*Safra ou Jaune. Cette collection est basée sur un art élégant et stylé et renforce une atmosphère intérieure de méditation. Visuellement, vos yeux peuvent éliminer les formes sombres ou claires, mais selon celles que vous aurez choisies, vous remarquerez des zelliges aux formes parfaites.*

## Vagabonde

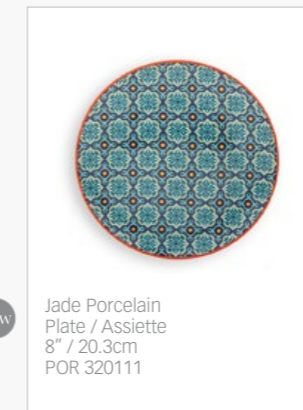

Images d'Orient has a bohemian soul and goes hunting for patterns from the millennial weaving looms, and colours from the sparkling world of silk, the flamboyant warmth of velvet and the soothing feel of linen. A vagabond desire to explore the roads of yesteryear, these paths that speak of discoveries and encounters; of multi-belonging or being from here and elsewhere.

*Images d'Orient a une âme vagabonde et s'en va chiner ces motifs des Métiers à tisser millénaires, et des couleurs des univers chatoyants de la soie, flamboyants du velours ou apaisants du lin. Envie bohème d'aller à la conquête du monde ; envie de mixité et de mélange ; envie d'emprunter ces routes d'antan, ces chemins qui parlent de découvertes et de rencontres ; pluri-appartenance ou être d'ici et d'ailleurs.*

TABLEWARE | VAISSELLE

The principle of stackable objects found in Russian dolls is reflected in the interlocking or superposition of objects. In this playful and efficient spirit, we created stackable trays, in sets of three sizes that can be sold in packs or separately. Squares or rectangles, they can serve as food trays or as decorative objects.

Le principe des objets gigognes que l'on retrouve dans les poupées russes se traduit par l'emboîtement ou la superposition d'objets. Dans cet esprit ludique et efficace, nous avons créé les plateaux gigognes, de trois tailles différentes, vendus ensemble ou séparément. Carrés ou rectangles, ils peuvent servir de plateaux alimentaires comme d'objets décoratifs.

Porcelain Fragrance Diffuser | Diffuseur de Parfum en Porcelaine

Finding a signature scent for ourselves and for our homes is one of the greatest pleasures. For that reason, we have created perfume diffusers with 4 different fragrances intended to suit your interiors. These fragrances are made in the UK, and are free of alcohol and pesticides. Little trick: to transform your diffuser into a beautiful small vase, just remove the 2 cap elements and insert some flowers!

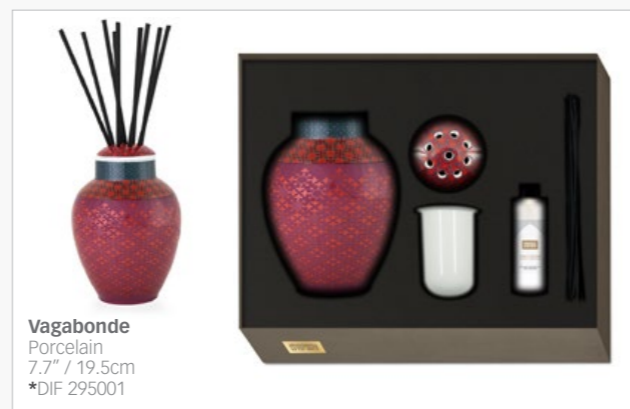

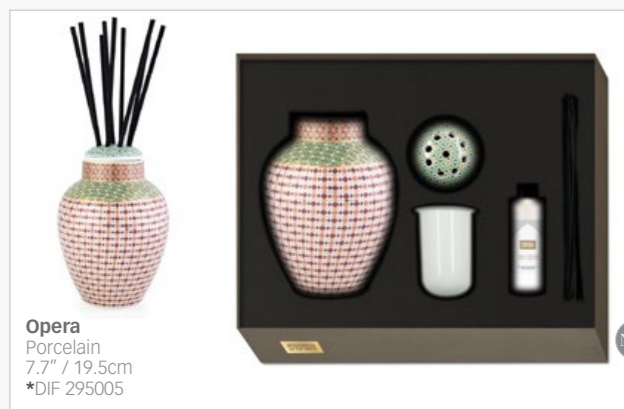

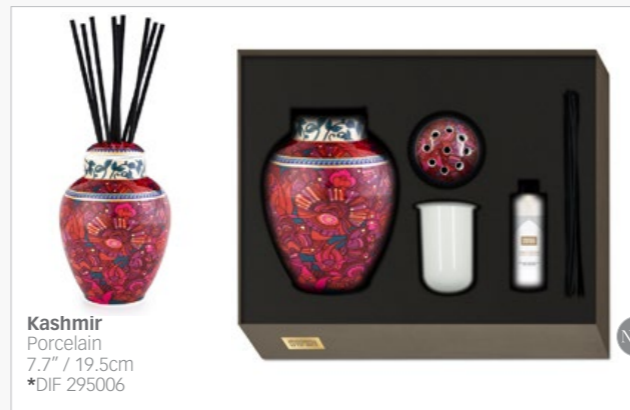

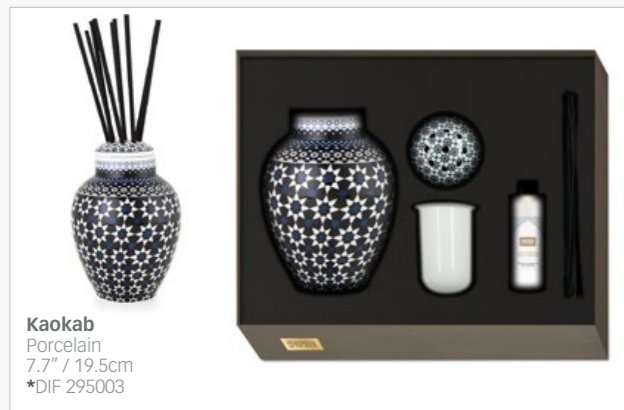

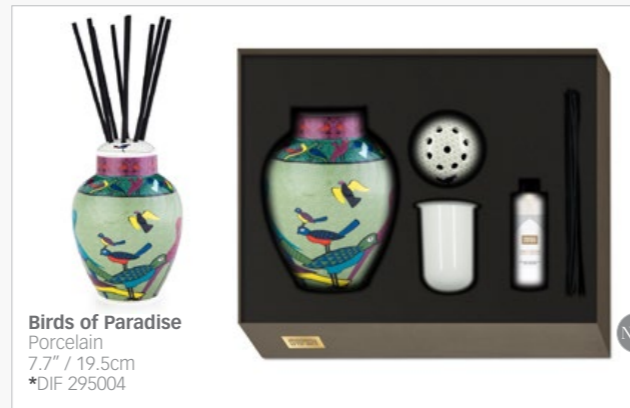

*S'approprier une senteur ou un parfum, c'est vouloir donner une identité à sa maison. Afin de satisfaire cette envie, nous avons créé des diffuseurs d'ambiance (ou des parfums d'intérieur) dont les fragrances nous viennent du Royaume-Uni et sont sans alcool ni pesticide. La petite astuce pour transformer ce diffuseur en vase décoratif, est de retirer les deux éléments qui servent de couvercle et d'y placer un joli bouquet de fleurs !*

# Flagship Boutique

Almost 20 years after the creation of the brand, it was time to have our own space. On March 21st, 2019, Images d'Orient opens its first shop in the heart of Beirut. From the acknowledged product we have with the boutique a brand.

Along the Rue du Liban, an emblematic street of the city, modern arches stand out on the facade of an old building and invite to discover a mixture of Oriental traditions and Western influences with everyday objects, a profusion of colors and materials but especially a concept that combines east and west. The bright blue arches directly plunge the customer into the Mediterranean heritage that is the source of our inspiration. Inside, the flamboyant red warmly welcomes passers-by, tourists, customers ... This shop is a journey back in time, between a past always present and a future at hand.

It is in this spirit that the architect Rabih Geha, designed the shop. At the same time futuristic and modern but respectful of Lebanese traditions and heritage. All collections meet and the new flirts with the old in perfect echo of Images d'Orient concept. He has made an asset of the 'challenging' low ceiling by painting it a bold red, and made the relatively small space appear larger by installing glossy terrazzo flooring, clean-lined steel shelving and aluminum light reflectors. "One of my favorite things about this project is that we took those 'flaws' and turned them into strengths," says Geha.

The difficulty of the project was to find the right balance between the profusion of motifs that represents the brand and the creation of a typical universe, without falling into the parody of Images d'Orient.

Images d'Orient does not intend to stop there and is already thinking about opening its next boutique abroad.

*Presque 20 ans après la création de la marque, il était temps de disposer de notre propre espace. Le 21 Mars 2019, Images d'Orient ouvre discrètement sa première boutique, en plein cœur de Beyrouth. Du produit reconnu, nous avons avec la boutique une marque.*

*Le long de la Rue du Liban, une rue emblématique de la ville, des arches modernes se détachent sur la façade d'un ancien immeuble et invitent à découvrir un mélange de traditions orientales et d'influences occidentales avec des objets du quotidien, une profusion de couleurs et de matières mais surtout un concept qui associe Est et Ouest. Les arcades d'un bleu vif plongent directement le client dans l'héritage méditerranéen source de notre inspiration. À l'intérieur, le rouge flamboyant accueille chaleureusement les passants, touristes, clients... Cette boutique est un voyage dans le temps, entre un passé toujours présent et un futur à portée de main.*

*C'est dans cet esprit que l'architecte Rabih Geha, a conçu la boutique. À la fois futuriste et moderne mais respectueuse des traditions et de l'héritage libanais. Toutes les collections s'y rencontrent et le nouveau flirte avec l'ancien en parfait écho au concept de Images d'Orient. Il a mis au défi le plafond bas en le peignant d'un rouge vif et a agrandi l'espace relativement petit en installant un revêtement de sol en terrazzo brillant, des étagères en acier épuré et des réflecteurs de lumière en aluminium. "L'une de mes choses préférées à propos de ce projet est que nous avons pris les 'défauts' pour les transformer en atouts", déclare Geha.*

*La difficulté du projet était de trouver le bon équilibre entre la profusion de motifs qui représentent la marque et la création d'un univers typique, sans tomber dans la parodie d'Images d'Orient.*

*Cette boutique est aussi un lieu de partage et de communication entre les différentes équipes et ce brainstorming est plus que nécessaire pour l'évolution de la marque.*

*Images d'Orient ne compte pas s'arrêter là et pense déjà à l'ouverture de sa prochaine boutique.*

INAUGURATION

During the "Beirut Design Week" and whose theme of the year is Nostalgia, "Images d'Orient", one of the main sponsors of this event, officially inaugurated on July 4th its 1st flagship store. It is with the above subject in mind that a large part of our team gathered in front of the shop to wink at the upcoming friends, professionals and influencers for this event.

*Au cours de la "Beirut Design Week" et dont le thème de l'année est Nostalgie, "Images d'Orient", l'un des principaux sponsors de cet événement, a officiellement inauguré le 4 juillet sa 1ère boutique phare. C'est avec le sujet ci-dessus à l'esprit qu'une grande partie de notre équipe s'est réunie devant la boutique pour faire un clin d'œil aux amis, professionnels et influenceurs venus pour cet événement.*

# *A word from the designer*

*Un petit mot...*

**"It must have all begun without my knowledge when I was a child..."**

I still remember the feeling of despair at the sight of an ancient house being destroyed, a deep rooted site being modernized, an old precious fabric being replaced!

I finished my Advertising degree and traveled from Lebanon to the United States where I took my Master degree in Fine Arts; I knew that I had to do things that will create beauty, inner peace or simply give a message.

Once back to our home country, my brother Charbel Raphael and I came to realize that designing items that will endorse the richness of our Mediterranean heritage was a dream we had to achieve. In 2000, Eusamex was founded and 'Images d'Orient' was born, along with many other products. We created a line of day to day objects that combined the charm of a Mediterranean heritage with a contemporary look: coasters, placemats, trivets... Twenty years later, Images d'Orient travels around the world in more than 50 countries establishing a new trend in the design world, and every new collection brings its newcomers: bath line, travel line, accessories...

So, dive into the various tides of 'Images d'Orient' and find your wave! "

**"Tout a dû commencer à mon insu, quand j'étais enfant..."**

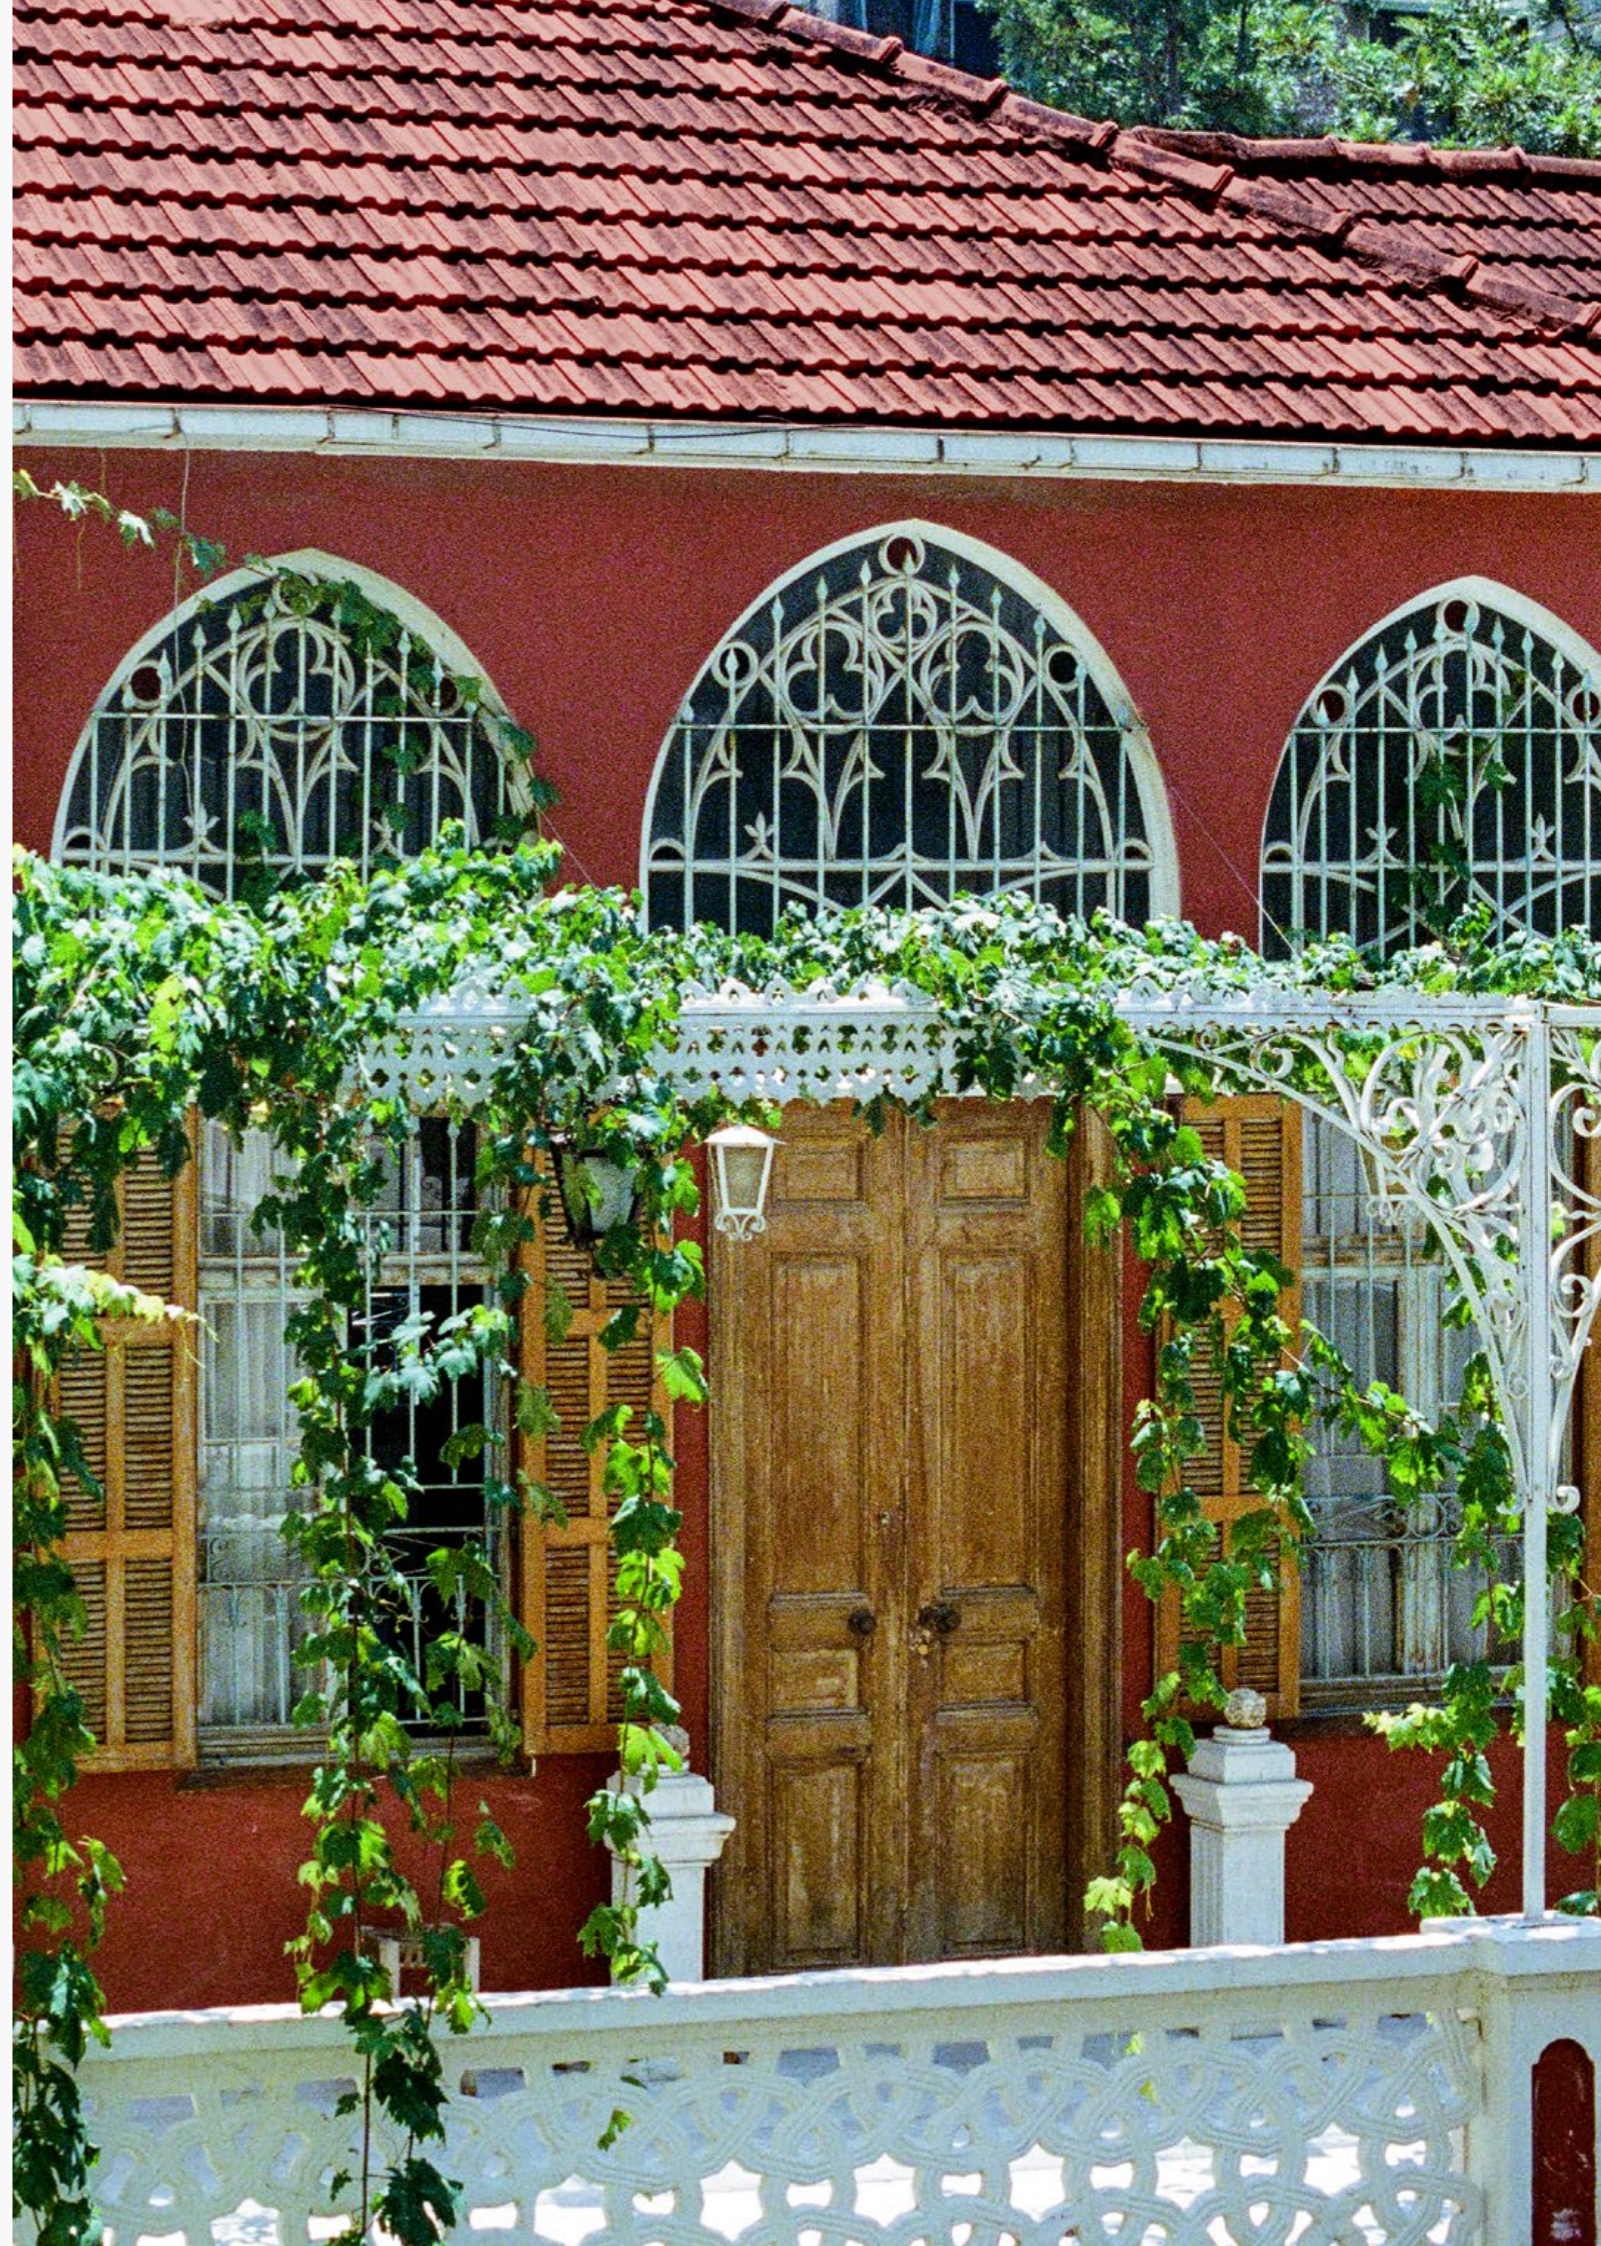

*Je me souviens encore de mon désarroi à la vue d'une ancienne maison détruite, d'un site ancien modernisé, d'un tissu précieux remplacé!*

*Après avoir obtenu mon diplôme de publicité du Liban, je voyage vers les États-Unis où je poursuis mes études pour avoir ma maîtrise en Beaux-arts; créer des objets qui génèrent la beauté, la paix intérieure ou tout simplement transmettent un message était ce que je désirai faire.*

*Une fois de retour au Liban, mon frère Charbel Raphael et moi-même, constatons que promouvoir la richesse de notre héritage méditerranéen était un but que nous devions atteindre. En 2000 Eusamex est fondée et "Images d'Orient" est née, avec une série d'objets contemporains inspirés de l'héritage méditerranéen : dessous de verre, set de table, dessous de plat... Vingt ans plus tard Ces différentes gammes voyagent actuellement dans plus de 50 pays établissant une nouvelle tendance dans le monde du design avec leur look à la fois vintage et futuriste. Chaque nouvelle collection entraîne avec elle la naissance de plusieurs nouveaux venus : ligne de bain, ligne de voyage, accessoires...*

*Plongez dans l'histoire de " Images d'Orient ", et découvrez cet univers ! "*
